3.5.3 whether any items have been condemned (pursuant to clause 6.2)
and the Customer will be asked to sign the report to confirm understanding of the work carried out and any works identified as being required

- 4.1 Subject to the following provisions of this clause, if the Equipment contains an item of equipment which is manufactured by a manufacturer other than the Company, the Representatives will include such equipment in the Service

The Company will provide an indication of the cost of any repair work required to such an item after the maintenance visit
- 6.2 Any item of Equipment that the Representatives identify as being unsafe and beyond economic repair will be indelibly marked with the word 'CONDEMNED' by the Representatives and must immediately be taken out of service by the Customer. By agreeing to these Terms, the Customer grants the Company and the Representatives the right to condemn Equipment that is unsafe and beyond economic repair by the method stated

- 8.3 In the event that the Representatives exercise their judgement pursuant to clause 8.2, the Customer shall be responsible for the costs incurred in servicing the equipment

- 10.6 The Company will make all reasonable efforts to attend the Location to undertake the Service at a specific time (if agreed by the Company in writing) but circumstances such as, for example, over-runs on prior jobs or traffic delays may result in the Representatives arriving after the agreed time.
